

# Dementia Care Package

Additional support for your loved one and you.

We understand that caring for a loved one with dementia or Alzheimer's brings its own unique set of challenges. Our Dementia Care package is designed to support family members who are balancing their own lives while looking after a parent with dementia.

*Why choose the Dementia Care package?*

## **Keep your loved one safe and comfortable.**

Our dementia-trained caregivers ensure the safety of your loved one, provide meaningful activities that stimulate the brain, and offer sensory stimulation that connects with your loved one on a deeper level.

## **Take care of yourself.**

With our qualified caregivers by your side, you can have peace of mind knowing that help is available whenever you need it. Take a well-deserved break, knowing your loved one is in safe, capable hands.

## **Caregivers support you with daily activities.**

Our caregivers assist with activities of daily living such as personal hygiene, taking medications, and eating. They also help with grocery shopping, laundry, tidying and running errands, making it easier for you to manage your work, health and personal life

*Let us support you and your loved one every step of the way.*
